This Sunday

Shakespeare's Macbeth states: "Life's but a walking shadow, a poor player that struts and frets his hours upon the stage, and then is heard no more. It is a tale told by an idiot, full of sound and fury, signifying nothing." The Christian faith tells us that this need not be true, for as Paul wrote in 2 Corinthians 5:17: "Therefore, if any one is in Christ, he is a new creation; the old has passed away; behold, the new has come."

can will.

Civil rights — another area where, if anything, too many rights are being given too fast — cannot avoid bringing more and more civil conflict. This will come when the tempo of giving to "untalented" begins to level off.

Dr. Spock's "peaceful civil disobedience" program is dangerous activity. We know that the vast majority of Americans favor law and order.

Revolution has been the way of the world since the days of Christ, and therefore is to be expected. But lawlessness as part of the parcel cannot be condoned.

WHAT'S DOING?

It's not very surprising that with more than 114,000 coin phones in California, that once in a while one of them will go haywire and keep your dime when it shouldn't. And if this happens to you, all you have to do is dial the Operator from another phone and tell her what happened. She'll see that a refund is mailed to you, or if you wish, complete another call for you.

And, we'll appreciate it if you'll give the Operator the number of the phone that kept your dime so we can check to see if it needs to be repaired.

Did you know that your local telephone office at 5500 Grossmont Center Drive, La Mesa, has out of town telephone directories available for you use? Presently 32 states, including Hawaii, and 940 cities are included in our directory library.

Many of our customers find these directories useful this time of the year to complete Christmas card lists. If you have a requirement for out of town telephone numbers and addresses, please come in and see us.

Have you noticed how some people's voices sound differently when talking to them in person than they do over the telephone? One reason could be that they weren't holding the phone properly. I think people will find your voice will sound clear and natural if you always speak right into the mouthpiece of the phone. Ideally the mouthpiece should be held within an inch of your lips, with the receiver firmly against your ear. I've found it does make a difference.

Children, Matches Cause Havoc With Spring Valley Grass Fires

Children playing with matches is still a major concern for firemen of the Spring Valley Fire Department, as indicated by the large number of dry grass fires started in this manner. Also of concern are people in the area who are still burning out of legal burning hours. Legal burning hours are before 9 a.m. and after 6 p.m., and it is a must to obtain burning permit before doing any type of outside burning. Permits may be obtained, at no cost, from any one of the three fire stations in Spring Valley.

Here is the rundown of fire calls for the week of Oct. 16-22.

There were four calls on Oct. 16: 1946 Sweetwater rd., a grass fire of about a half acre. It is under investigation; 10746 Eureka rd., grass fire, caused by children and matches; an illegal burning job of brush and rubbish on Casa Nueva st.; and a burning cigarette in a couch at the home of Mrs. John Winchester, 1331 Helix st., caused about \$70 damage to the couch in the living room.

Oct. 17. The S.V. Fire Dept. equipment and men stood by at an out-of-the-district fire at Campo rd. and Broadway, the fire being covered by the Division of Forestry.

Oct. 18. There were three calls: Grass fire at 8958 Valencia, caused by children and matches; and the same at 8826 Orville st.; and an illegal burning of dry grass at Casa Nueva st.

Oct. 20. There were two fire calls: Children and matches were the cause of a grass fire at 3901 Calavo dr.; and the same for a quarter acre dry grass fire in the 2600 block,

Highlands Blvd.

Oct. 21. Children and matches given as the cause of a dry grass fire at the north end of Thayer st. And on the same day, a lighted cigarette thrown from a passing vehicle, caused a grass fire at Furry and Carpenter ln.

Ambulance Runs
An auto accident, a couple of falls and several illnesses, kept the ambulance crews busy.

Oct. 16. Roberto Herrera, a fifth and sixth-grade teacher at Kempton Street School, was picked up there, after complaining of pains in the chest, and taken to Kaiser Medical Center. He was later released and returned to work. Herrera, 41, lives at 1643 Walbollen st., S.V.

Oct. 17. Mrs. Dolores Deeds, 27, of 9840 Arapaho st., picked up at Carman Ranch Club and taken to Grossmont Hospital, due to illness.

Oct. 18. There were three ambulance calls: Tina Stovall, one-year old of 9178 Lamar, ill at home, and not moved; Sally Poppoff, 23, of 9614 Blarney st., ill at home and not moved; and Stan Escalier, 14, of 9602 Ivy st., fell off his motorcycle on Dictionary Hill and taken to Navy Hospital.

Oct. 19. Paty Randolph, 14, of 10627 Del Rio rd., fell off a horse at Campo rd. and Calavo and was taken to Grossmont Hospital.

Oct. 22. John Sutton, 49, of 467 Cedar st., El Cajon, was taken to Grossmont Hospital, after the car he was driving went out of control near 1221 Elkleton Blvd., and crashed into a tree.

Regular Racing Season Ends Saturday at Cajon Speedway

Culminating a season of 29 weeks of racing, Super stock car pilots go again at Cajon Speedway this Saturday night in their final regular weekly program. Only the running of the Grand Prix, which will crown the new 1967 Champion remains on the schedule.

The program will consist of 13 events starting at 8 p.m. The big action will be in the super stock 50 lap main event and a 25 lap semi main along with a total of over 140 racing laps on the 3/8 mile paved oval.

The stock cars will be looking for their 100,000 customer Saturday night as 99,409 have seen stock car action this season. \$51,455.90 has been paid

out in prize money to stock car drivers with the big Grand Prix, which last year paid over \$2,900.00 for the 5,000 customers still to be run off.

The action will bring to the post with three past speed way champions. The only two time winner Russ Eullen has won the last two races and holds the 50 lap track record of 16:50.00 set in July of 1966. Tex Kimbrell, 1965 champion is second in the point standings and holds six wins on the year. 1967 champion Vance Butler will be crowned Saturday night as he holds over a 300 point lead in the standings over Kimbrell.

Other threats in the star studded lineup include four time winner Carl Adams of El Cajon and three time winner Bucky Peralta, also a local.

Goodwill Drive Is Rotary Project

The thirteenth annual Good Turn for Goodwill Drive will be held on Saturday, county-wide under the sponsorship of the San Diego County Council of Rotary Clubs, it was announced by Mr. Clark Chamberlain, chairman of the drive.

Last year the drive brought in approximately 25,000 pounds of discarded repairable clothing, household articles and other goods to help employ the handicapped at Goodwill Industries of San Diego County.

Thousands of Boy Scouts and Cub Scouts, doing their Good Turn, will distribute thousands of Goodwill bags to homes in the county Saturday, Chamberlain said.

The new feature of the Good Turn Drive, this year, will be the fact that there will not be a pick up date, as in previous drives. The instructions on the Good Turn tag say, "Place in Goodwill Collection Box or Phone The Nearest Goodwill For Truck Pickup."

Van Deerlin Attacks U.S. Cemetery System

WASHINGTON — Carry-ing out a promise he made last February to San Diego area veterans' groups, Rep. Lionel Van Deerlin, D-San Diego, Wednesday introduced legislation "to correct the deplorable inequities that exist in the national cemetery system."

San Diego's only national cemetery, Fort Rosecrans, was closed to new applications in September, 1966. As a result, Fort Rosecrans officials have had to turn down hundreds of requests for burial space.

"The Rosecrans situation is symptomatic of what's been happening nationally," Van Deerlin said. "Through a lack of foresight in planning the system, practically all of the national burial grounds that remain open are clustered on the eastern seaboard, and therefore are of no practical use to veterans in our part of

the country." The San Diego Congress-man's bill would establish a National Cemeteries Site Selection Advisory Board, with a membership drawn from both the federal government and major veterans' organizations.

The board would be charged with recommending the possible creation of new cemeteries and the expansion of existing ones. It would also reconsider the eligibility standards for burial at public expense. The Secretary of the Army could accept or reject the board's recommendations, but any rejection could be overturned by Congress.

"I am confident that this committee, with its understanding and sympathy for the problems of our ex-service men, will now move quickly on my bill and others that propose solutions to the cemetery problem," said Van Deerlin.

Mrs. Frank McKenney

The women also attended the 79th Annual Luncheon of the California Veterinary Medical Association to honor Charles Schulz, creator of "PEANUTS".

Dr. Chester A. Maeda, CVMA president, presented a plaque to Mr. Schulz. Guest speaker was Rolf Peterson, San Francisco disc jockey.

Stadium Opening Success

Lights Were On, But Monte Vista Couldn't Find The End-Zone

The new lights illuminated the Monte Vista High football stadium quite brightly, but the Monarch team still couldn't see the end-zone Friday night, and fell prey to a 24-0 shutout at the hands of the Grossmont League leader, Helix.

More than 3,500 fans filed into the new Casa de Oro field to witness the opening ceremonies for the recently com-

pleted stadium, a project undertaken by the parent booster club at the school.

Vice-president Bob Divin started the countdown at ten seconds before 8 p.m. and the stadium lights were turned on, setting off a thunderous applause from the many partisan Monte Vista fans.

Unfortunately for Monte Vista fans, the opening of the stadium was the most exciting

thing that happened the entire evening, as Helix completely dominated a puncheon Monarch offense and dealt the locals their third consecutive Grossmont circuit decision.

Earlier in the season, the Monarchs were considered one of the most improved teams in the league, after capturing its last four loop encounters last season. But the Spring Valley eleven has failed to jell off-

sively, and are now buried in the cellar of the county circuit.

The rugged Highlanders are living up to all the expectations according to them at the onset of the season. They are now 2-0 in league play and 3-1 overall.

Monte Vista did a good job of defending the potent Highlander attack after it scored its touchdowns. The Monarchs

managed to foil four consecutive extra point attempts by the league-leaders.

Helix scored in every quarter against the hosts, with Highlander quarterback Greg Gleason, who has recovered superbly following a disastrous opening season game against Hoover, rambling over from the seven yard line with the first six pointer.

In the second quarter, Gleason teamed up with end Bert Williamson for a 35-yard touchdown pass play and the

Highlanders left the field with a 12-0 first half lead.

Brian Wolford and John Sturgen put the visitors on the board again in the second half, with Wolford scoring on a three-yard plunge and Sturgen banging over from the two-yard line.

Monte Vista's biggest gain of the evening came during halftime. Junior varsity foot ballers mingled with the crowd and collected \$900 to put towards the stadium building fund.

The Monte Vista offense was limited to just 61 yards in the air and 95 yards on the ground, as the Highlanders completely shut off the usually productive running of Maughn Kent and stymied the passing efforts of quarterback Chuck Downing.

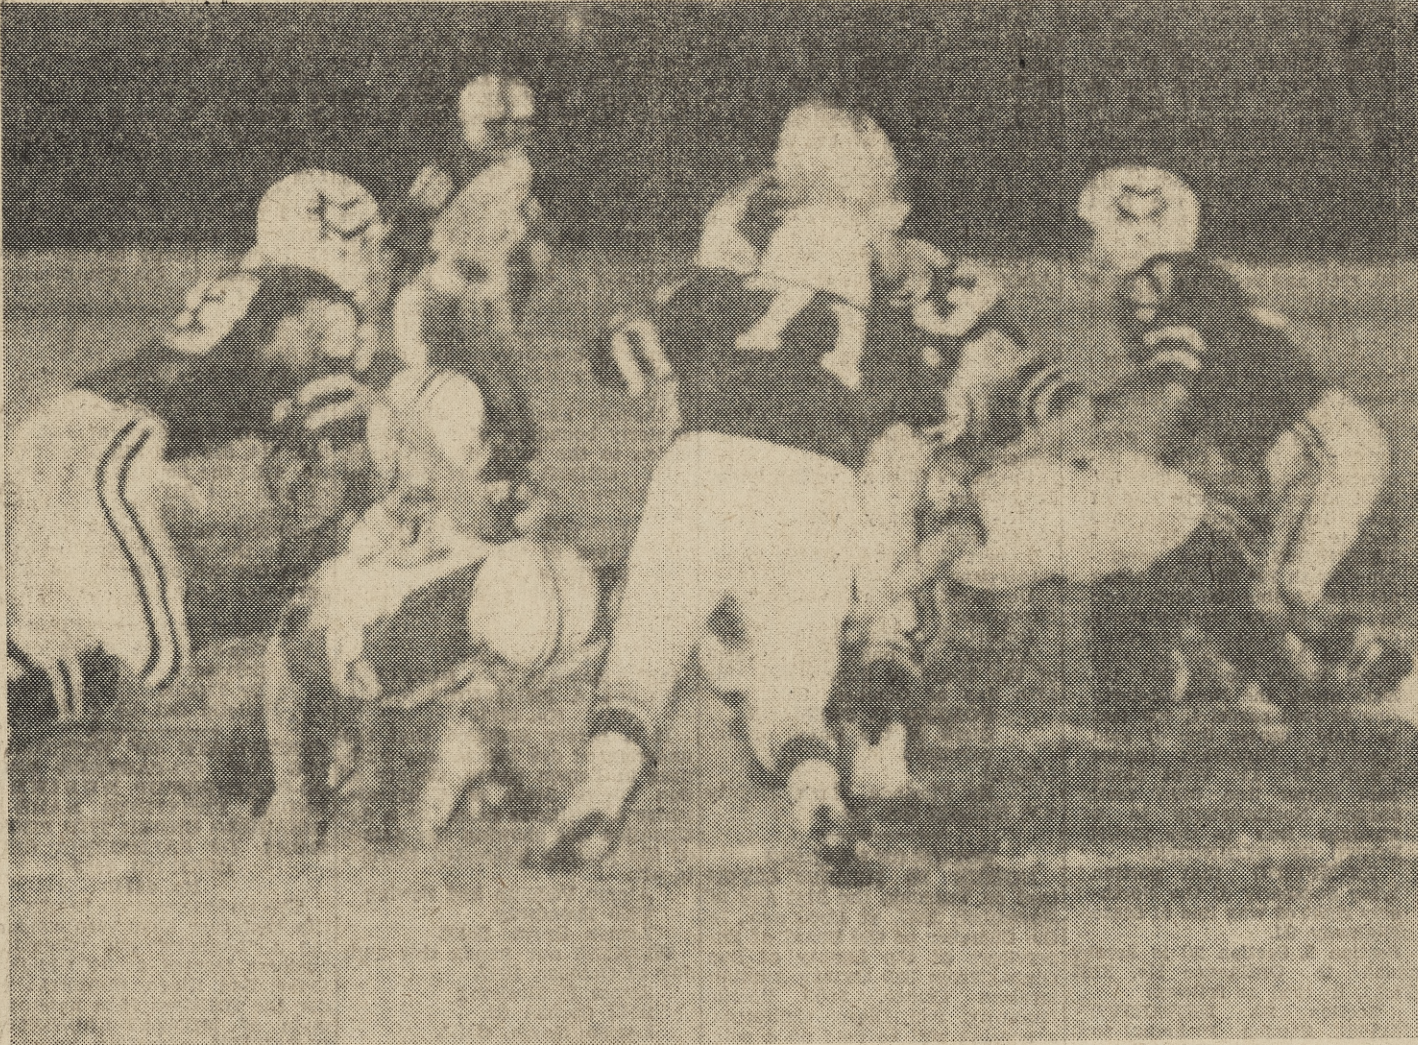

Downing finished the evening with five completions in 14 attempts, spending a good portion of the second half on his back or attempting to elude a fierce Helix rush.

Kent, the most accomplished runner on the Monte Vista squad, was continually bottled up in his own backfield and could squirm for just 10 yards in seven carries. Full-back Dennis Weikel had the most success against the visitors, gaining 42 yards on seven carries for a fine six-yard average.

Meanwhile, Helix signal-caller Gleason riddled the Monarch pass defense for 192 yards, completing on nine of 14 attempts.

The Helix kicking game kept the Monarchs deep in their own territory most of the evening, as three Highlander punts totaled 138 yards for a 46-yard average.

Monte Vista will try again for victory tomorrow night, with the Monarchs playing host to El Cajon. Helix will go for its third straight league win against Santana in the Highlanders homecoming game.

CLOSING IN: Monte Vista defensemen Phil Duncan, 33, Tony Kienzie, 71, and Maughn Kent, 31, plug up the hole to foil a Helix touchdown attempt in the first quarter of

action during the Monarchs' 24-0 loss to the rough Highlanders. Friday's game was the first ever played in the Monarch's new stadium.

Midget Shake Off Upset-minded Grossmont in Pop Warner Tussle

The Los Toros Midget Roadrunners traveled to Grossmont last Saturday afternoon for their league game. The final score was Los Toros 20, Grossmont 13.

In the first quarter, Tim Miller scored on a quarterback sneak with Mike Szalay making the extra point. Grossmont evened the score. The second and third quarters were scoreless leaving a half-time score of 7-7. In the fourth quarter, on a pass from Miller to Frank Sosa and Szalay making the extra point, the Roadrunners took the lead with seven more points. Grossmont also scored again and with only a minute and a few seconds left to play, Miller scored again on a roll-out and a long run to the goal line.

The Longhorns, Pee Wees, were host to the team from Fullerton for the weekend with the boys arriving Friday night and were house guests of the boys on the Longhorn

team. They were taken to Sea World on Saturday and to the San Diego Zoo on Sunday and were then escorted to the depot where they boarded the train for home. The only mar of their trip was the defeat handed them by the Longhorns on Saturday night at Mt. Miguel stadium. Both teams scored in the first quarter with Richardson making the big six for the Longhorns. He scored again in the second with Gegax making the extra

Large Area Contingent To View Shrine Battle

A large contingent of Lemon Grove-Spring Valley rooters is expected to be on hand Saturday night when undefeated Cal Western University meets unbeaten Eastern Washington State College in the fourth annual Shrine charity football game.

Shrine annually to benefit the Shriners Hospital for Crippled Children in Los Angeles, this year's contest will mark the first time since renewal of the event four years ago that fans will have an opportunity to watch two undefeated teams in action.

A fighting Cal Western eleven ran its current string of consecutive victories to five Saturday by scoring a convincing 30-15 triumph over La Verne College on the loser's home grounds.

Paced by Little All-American candidate fullback Jackman LeBlanc, who ran for three of the Westerner's touchdowns, Coach Bob Dinaberg's charges recovered from a 15-13 half-time deficit to ice the tilt in the third frame.

Colony Harold C. Conrad, (Ret.), U.S. Army, General Chairman, said nearly four hundred color guards from county civic, patriotic and military agencies are expected to participate.

Miguel Routs Santana Behind Jerry Lowery

Quarterback Jerry Lowery ran for one touchdown and passed for another to lead the Mt. Miguel Matadors to a 20-6 Grossmont League victory over Santana last Friday night.

The victory enabled the Matadors to keep pace with league-leaders Grossmont and Helix. The locals now own a 2-1 circuit mark, a game behind the frontrunners.

Santana took the first half kickoff and marched to the Mt. Miguel 16-yard line before a fumble stalled the Sultan drive at that point. A 15-yard personal foul call against the Matadors aided the Sultan drive.

Dave Storm set up the first Mt. Miguel touchdown, as he scooted 53 yards to put the ball on the Santana 21 yard line. At that point, Lowery faded back and tossed a scoring strike to Jeff Buckner.

The Sultans evened the score just before halftime, driving 72 yards for a touchdown, with Tim Wolfmeyer grabbing in a 12-yard scoring pass for quarterback Honkaner.

Mt. Miguel completely dominated the second half of play, pushing across touchdowns in each of the final two quarters. Lowery scored in the third stanza on a two-yard run and Storm barreled over from the one in the final period.

The Matadors crushing ground game netted 207 yards.

Lowery passed for 78 more. The Mt. Miguel attack was stymied more by penalties than by their opponents as they were hit with 80 yards in penalty calls.

Coach Ed Cipranic's defense limited the Sultans to just 129 yards on the ground and 95 yards via the aerial routes.

Mt. Miguel will go after its third Grossmont League victory tomorrow night, as the Matadors travel to Valley Stadium to take on Granite Hills. The locals must win to keep pace with the two first place teams in the league.

Water Polo Not Unique Says Coach

Although water polo has been introduced for the first time this year in the Grossmont Union High School District, the sport is not unique, Coach Fred Wadsworth of Monte Vista says.

There are two schools in this district which play water polo, Monte Vista and Mount Miguel, and eight in the county. Two colleges have water polo teams in San Diego: San Diego State College and UCSD.

The game is very popular in Europe and the national sport of many European countries. In the U.S. there are 404 high school water polo teams, 377 of which are in California.

At Monte Vista the sport is for boys only but a future possibility would be a girls water polo team, Wadsworth said.

Wadsworth explained that the boys practice from 6:30 to 8 a.m. every morning. The team consists of six players plus a goalie. It is played as a combination of basketball and hockey with much passing of the ball above water. It is strenuous sport with much body contact.

It provides a "change of pace" for the swimmers, Wadsworth pointed out.

The pool rental from Carman Ranch is sponsored partly by ASB funds and partly by the swim team parents, Wadsworth said.

Balboa Stadium Scene For Color Massing

The 13th Annual Massing of the Colors and Memorial ceremony will be held Sunday afternoon, Nov. 5, under the joint sponsorship of the San Diego County Chapters, Military Order of World Wars and the City of San Diego.

Captain Larry B. Cook, (Ret.), U.S. Navy, Commander of the La Jolla Chapter, MOWW, said this would mark the first time that the annual memorial service would be held in Balboa Stadium.

"The growing popularity of the event, the only formal Memorial Day service held locally, demands the need for additional space in which the color guards can be massed," he said.

Colonel Harold C. Conrad, (Ret.), U.S. Army, General Chairman, said nearly four hundred color guards from county civic, patriotic and military agencies are expected to participate.

NO WONDER YOU ARE TIRED

Busy little machine, this body. I read in the Voice for Health magazine that someone has figured out that in twenty-four hours: Your heart beats 103,689 times. Your blood travels 168,000 miles. You breathe 23,240 times. You speak 48,000 words. You exercise 7,000,000 cells. You eat 3½ pounds of food. And you turn 30 times in your sleep.

These vital functions quite naturally are energy consuming activities. We find that many patients barely have enough energy to perform these functions. Beyond their normal daily activities, they become tired, run down and physically and mentally exhausted. Whether you have sufficient energy to enjoy a happy, active life depends upon the condition of your nervous system.

The man or woman whose nerves are in normal working order, free from unnatural pressure, is vitally alive, energetic and healthy.

But the man or woman whose nerves are pinched and starved is sluggish and unhealthy.

It doesn't seem possible that such a little thing as nerve pressure could make so great a difference in the lives and happiness of people. But, if you looked inside the bodies of those who have really achieved success in different lines of endeavor, you would find excellent sets of nerves. You would understand why such a person sees, hears, tastes, smells and feels better than other people. You would understand why, with his mental alertness and physical agility, he learns things more easily, remembers them longer, and is more able to adjust himself to ever changing conditions, than the man with the sick nervous. Here is a gentleman who recently found out.

A 51-year-old Executive suffered over three years with almost constant fatigue. His physical energy steadily grew less and less until he became exhausted. "I felt as if I would black out." He also suffered with painful backaches. "I couldn't sleep. I couldn't rest - my back would hurt so much it would wake me up. Finally, when all other efforts failed, I decided I needed a chiropractor. That's why I came to you, Dr. Marcy."

Our physical analysis and X-Rays enabled us to remove multiple nerve pressures in his spine causing his physical exhaustion. With his nerve lines cleared of interference, Nature made him well again. When we checked him last week he said, "I've felt better this winter than any I can remember. I've had no colds, no flu, no rheumatic pains that usually bother me all years. I feel I'm in better health now than I've been in years."

If you are still tired and "run down," investigate the Marcy Chiropractic Office. What can you lose except your ill health?

In order to provide for relief of the personnel who operate the ship, the Navy has adopted the two crew systems. Upon their return to Holy Loch the gold crew will be relieved by the blue crew, enabling the ship to accomplish more patrols.

ORDINANCE NO. 3127 (NEW SERIES)

AN ORDINANCE AMENDING ORDINANCE NO. 3106 (N.S.), ESTABLISHING INTERIM ZONING REGULATIONS FOR THE MONTE VISTA RANCH, JAMACHA AREA, BY EXTENDING THE TIME SAID ORDINANCE SHALL REMAIN IN EFFECT AND EXCLUDING CERTAIN TERRITORY THEREFROM.

The Board of Supervisors of the County of San Diego do ordain as follows:

Section 1. Ordinance No. 3106 (N.S.) was adopted August 15, 1967, to establish interim zoning regulations for the Monte Vista Ranch, Jamacha area. Studies preparatory to regular zoning for this area have been started but due to the length of time required to complete these studies and to hold the necessary public hearings thereon prior to adoption, it will not be possible to adopt regular zoning for this portion of the Jamacha area prior to the expiration of said interim zoning ordinance. Therefore, after due notice and hearing pursuant to Section 65558 of the Government Code, this Board of Supervisors has determined it to be necessary that said interim zoning be extended for one year and, that certain territory be excluded from the regulations of said ordinance.

Section 2. Section 2 of Ordinance No. 3106 (N.S.) is hereby amended to read as follows:

EXCEPTING that portion lying Southerly of the Northerly right of way line of State Highway 94.

All that portion of Tract "F" of the JAMACHA RANCH, in the County of San Diego, State of California, according to the Partition Map thereof on file in the Office of the County Clerk of San Diego County, described as follows:

Commencing at the Northwest corner of Section 36, Township 16 South, Range 1 West, San Bernardino Meridian; North 0° 07' East along the West line of said Section 36, 1608.4 feet to the center line of the San Diego County Highway Commission, Route 16; thence South 87° 11' East 250.3 feet to the intersection with the East line of a parcel of land conveyed to the County of San Diego by deed dated October 22, 1915 and recorded in Book 694, Page 304 of Deeds; thence North 0° 07' East along said East line, 412.5 feet, more or less, to the Northwest corner of a portion of Tract "F" conveyed to Jessie Tyler McCullough by deed dated April 2, 1945 and recorded in Book 1872, Page 160 of Official Records; thence South 89° 53' East along the North line of said parcel 1, 465 feet to said center line of said County Highway; thence North 87° 11' West along said center line, 368.7 feet; thence Northerly in a straight line to the TRUE POINT OF BEGINNING.

Section 20. EFFECTIVE DATE. Section 19 hereof to the contrary notwithstanding, this Ordinance shall be in force from and after November 12, 1967 for a period of one year.

Section 4. URGENT MEASURE. This Ordinance is declared to be an ordinance necessary for the immediate preservation of the public peace, health and safety within the meaning of Section 3751 of the Elections Code and

LEGAL NOTICES

shall take effect immediately. The facts constituting such necessity are as follows:

It has been determined through the process of a public hearing that it would be desirable to amend Interim Zoning Ordinance Number 3106 (N.S.) by deleting certain territory from the area regulated thereby and to extend for a period of one year the time said ordinance shall remain in effect. For these reasons, and for the reasons set forth in the recitals hereof, unless this amendatory ordinance is adopted as an urgency measure said Ordinance No. 3106 (N.S.) will expire before the necessary administrative actions can be completed, making permissible the development of the land now regulated by Ordinance No. 3106 (N.S.) in a manner adverse to the development potential and welfare of the area, and to the established character and integrity of the area.

Section 5. EFFECTIVE DATE. This Ordinance shall be in force and effect from and after its passage, and before the expiration of fifteen (15) days after its passage shall be published once, with the names of the members voting for and against the same in the Spring Valley Bulletin, a newspaper of general circulation published in the County of San Diego.

PASSED, APPROVED, AND ADOPTED this 17th day of October, 1967.

ROBERT C. COZENS

Chairman of the Board of Supervisors of the County of San Diego, State of California.
